About Us:

Launching for the 1st time in Kalyan – a Super Speciality Consultation, Laboratory & Diagnostics services under one roof!

When it comes to accessing even the most basic health facilities such as opinions from renowned doctors, accurate diagnostic facilities and most importantly being available closer to their homes, the communities in Kalyan and nearby areas face some of the most difficult obstacles. With a desire to solve this problem and bridge the gap between access to quality healthcare and providing better medical care for patients, we have established a Super Speciality Outpatient Clinic – Allied Doctors House.

The clinic will provide an integrated outpatient healthcare services to the citizens of Kalyan and nearby areas with a set of essential diagnostics coupled with an improved access to renowned super-speciality consultants from across the city under one roof. This will significantly improve getting different medical opinions, saving time and money for outpatient treatments.

Mission

To make care more accessible through our integrated approach and provide affordable outpatient healthcare to one and all

Vision

We envision to be recognised as the most trusted provider for outpatient healthcare service
